

CALLING ALL 8TH-10TH GRADE STUDENTS/PARENTS

# CTE Showcase

*Find the opportunity  
that fits you*

## *Learn*

Come and visit the Dan Dipert Career + Technical Center. Experience the options AISD offers our Career & Technical Education students who progress through on-campus CTE courses to upper level classes at the CTC.

## *Demonstrate*

Visit our classrooms, where you'll find our teachers and students as they explain course content. You'll also see demonstrations of some of the skills our classes teach to prepare our students for their lives outside of high school.

## *Plan*

Visit with teachers, counselors and administrators who can help you choose a plan for your students' future that best fits their interests and talents.
