

MEMORANDUM

TO: Principals

FROM: Danielle Reynolds, K-12 Science Coordinator
Kandi Hunter, K-12 Mathematics Coordinator

DATE: September 9, 2016

SUBJECT: Online adopted resources access with Houghton Mifflin Harcourt (HMH) for K-8 Science, Biology, Physics, Environmental Systems and Grade 7 Math

This summer, we have been working to provide access for these products through Rapid ID. The intent of using Rapid ID for the access point is to provide the functionality of the original adopted materials (not available through Canvas) as well as using the single sign-on usage.

Unfortunately, the district is experiencing online access disruptions for teachers and students for these products. Our Systems Integration department and the publisher's Technology department are working diligently to find a permanent solution.

In the meantime, we are providing temporary user names and passwords for these products for all teachers and students. This information is to only provide a temporary solution as we work to resolve a more permanent one.

If you have questions or concerns, please feel free to contact either of us.

Temporary HMH / Think Central Login Information

Elementary School and Junior High School Science Resources for HMH:

Go to <https://www-k6.thinkcentral.com>

Enter the state:

TEXAS

Enter the district:

Arlington Ind School District

Enter the school:

Adams Elementary

(Even if you are located at another campus, you will need to enter Adams in order for the temporary password to work.)

Welcome to **THINK** central

Students, Teachers, and Administrators

Country: United States

State: TEXAS

District: Arlington Ind School District, Arlington 76013

School: Adams Elementary, Arlington 76010
